*Photography and
Memories
Captured for
Eternity*

*All that I have
are these
to remember
you*

*Memories that come
at night
take me to another
time*

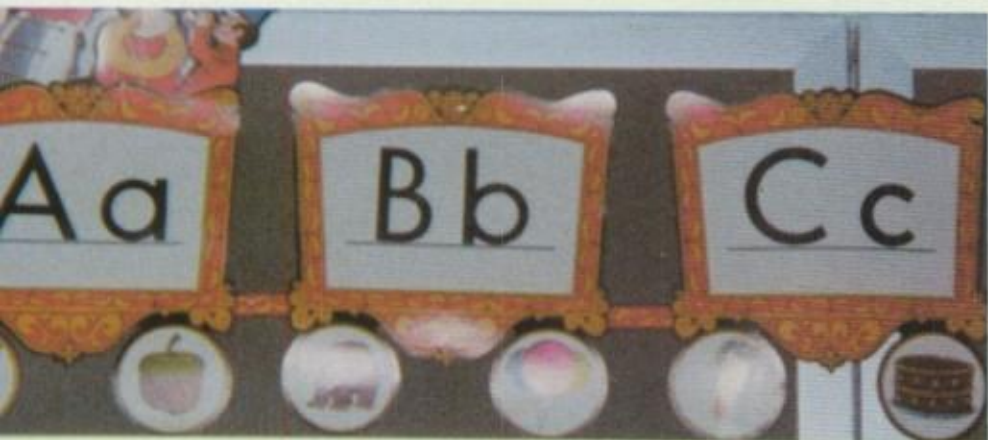

*Back to a happier
day
When I called
you mine*

*But we sure had
a good time
When we started
way back then*

*ABC's to Senior
rings,
Oh, How I loved
you then.*

*Summer skies to
lullabies.
Nights we couldn't
say goodbye*

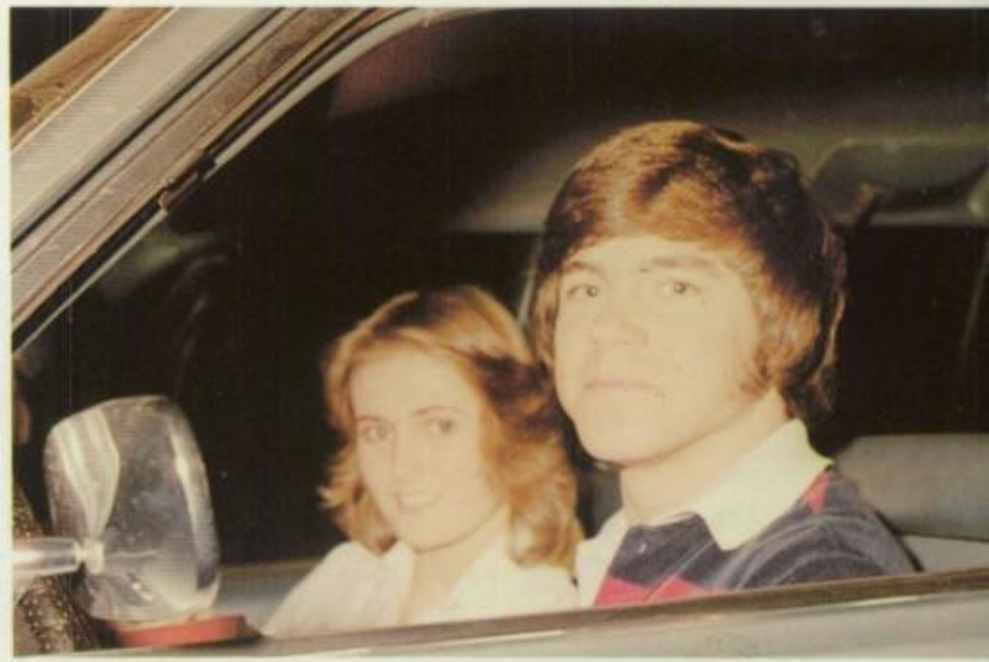

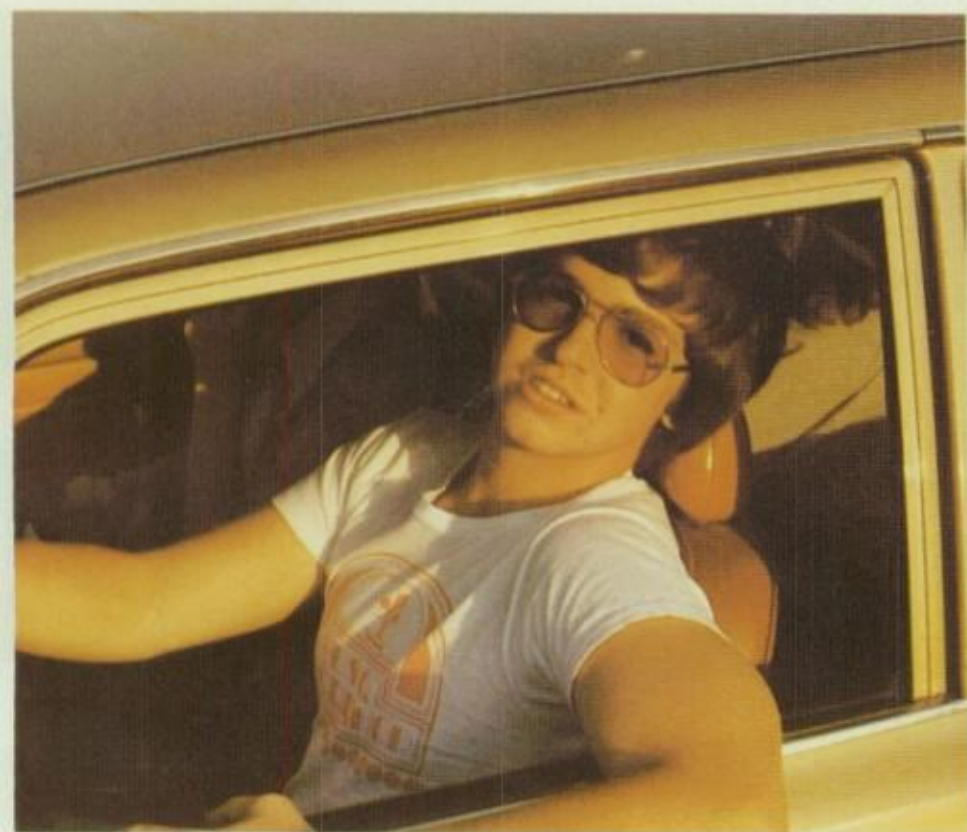

*And of all the
things that we knew,
We would make
our dreams come true*

*Photographs and
Memories,
All the love you
gave me.*

*Show how it just
can't be
that's all I've
left of you.*

*But we sure had a
good time
when we started
way back when*

*And Dadeville High
we love you now
as much as we
loved you then.*

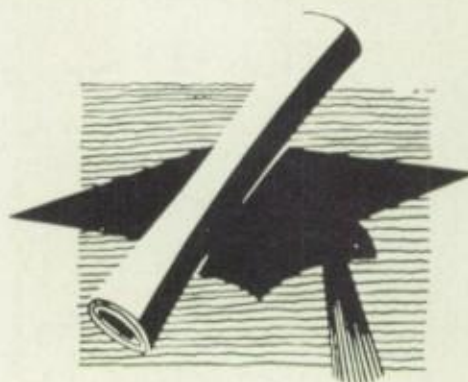

*For her devotion and warm enthusiasm, the Senior Class of 1978-79 proudly dedicates this
edition of the Dadeville High School Talisman to*

MRS. JOHNNIE FAE PENNINGTON

1978 DADEVILLE TIGERS

1978 TIGER SEASON

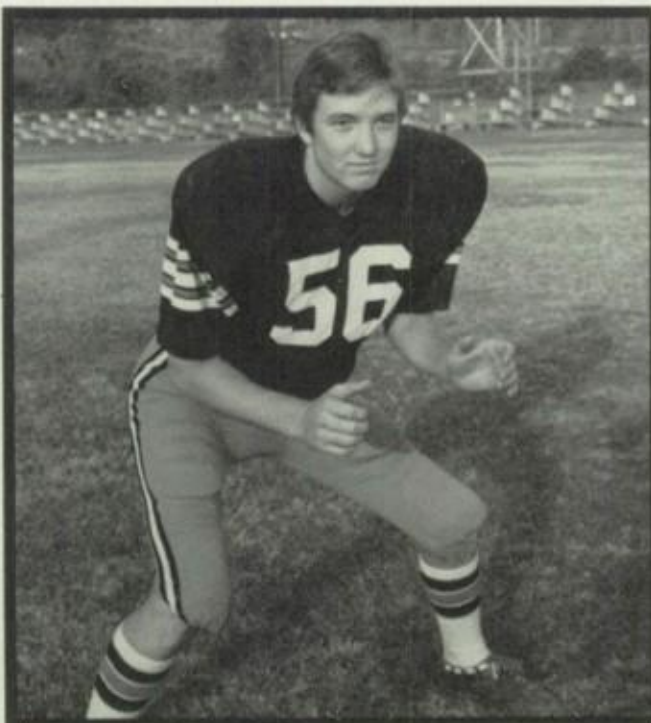

The Dadeville Tigers opened their 1978 season on the road and under the direction of a new Head Coach, Mr. Wayne Keahey, who came to Dadeville looking to rebuild. He left a used car business to come to Dadeville. Coach Keahey had coached previously at Cleborne County High School, Heflin High, Lincoln High, and for five years at Rosville High School in Rossville, Georgia. We, the Talisman Staff, would like to thank the coaches and players for their efforts this season.

The Tigers opened the season against powerful Handley High of Roanoke and were defeated by a score of 33 to 0. Next the tigers came home and played a cross-county rival, Reeltown. Dadeville lost its second scoreless game. Traveling on the road to Lineville, the Tigers were really fired up and were hoping for a win over Lineville. However, the Tigers dropped their third straight game that was scoreless. The halls of D.H.S. were really quiet the following week. Then Tallassee came to Dadeville and the Dadeville Tigers played their greatest game yet and dropped to 0-4 with a heartbreaking loss of 7-6. The Tigers hoped that luck was with them as powerful Beauregard came to town. The Tigers lost their fifth straight game of the season. The Tigers had a week off and they worked hard preparing themselves for Ashland, but they lost by a score of 14-0. The Tigers then traveled to LaFayette to play 3A LaFayette and were defeated. Things looked bad going into Homecoming. However, with the spirit days, floats, Homecoming Queen nominees, and the pep rally, the Tigers were really fired up and went on the field to trample the Woodland Bobcats 43-0. Scoring for Dadeville were Hal Morris, Dariton Heard, and Steve Lindsey. The Tigers were now 1-7 for the season. Next, they traveled to Wedowee and came home with a great victory over Wedowee 14-13. Outstanding players were Jay Black, Michael Morgan, Chip Carter, and Michael Jones. The Tigers played their last game at home against Elmore County High School and were defeated by a score of 34-8.

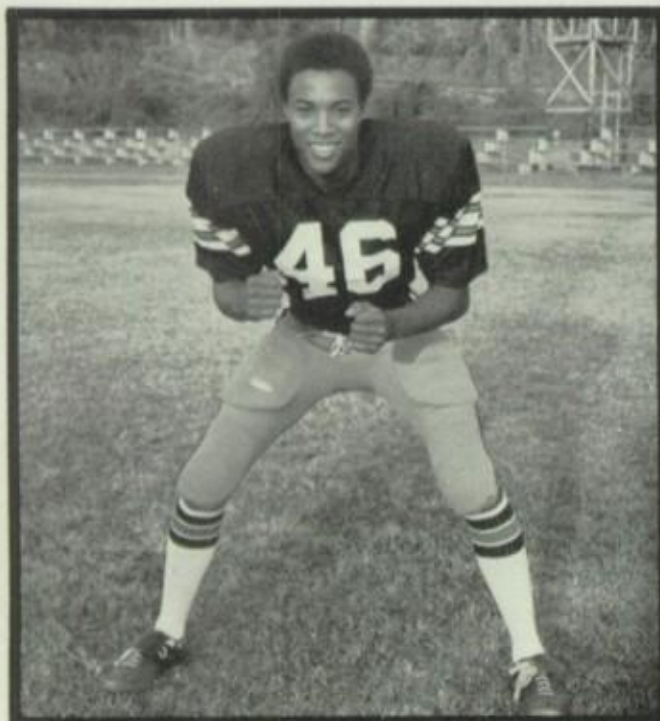

The Tigers have seven seniors, and we wish them the best of luck in whatever they decide on doing in the future.

I would like to say that I've been pleased with our 78-79 basketball season. Our team over all is a young team and the future looks bright for Dadeville basketball. We're almost through the regular season and our record stands at 13-6 going into the County Tournament. One key to our success was some early leadership by our Seniors James Powell, Leonard Rowe, Robert Ford, Michael Morgan, and Billy Leonard. The team went into a slump during the middle part of the season, but seems to be coming back out with a big win over Wedowee 67-65, this was our last game at the time of this article.

Another key factor for Dadeville's basketball success this year was the up coming of some talented Sophomores such as Sammy Fitten, with an 18.5 scoring average and Steve Herren, a big rebounder and scorer who starts off for the Tigers.

MAKE SOMEDAY TODAY

Someday you'll want that perfect home of your own. And for putting down roots, Still Waters is the ideal locale. It's a complete residential resort community in the magnificent woodland setting on Lake Martin. Besides water sports there are inland activities too — golf, tennis, riding, and a private hunting preserve. We also have fine rental accommodations available for family vacations and golf holidays. While there are still beautiful homesites available, you can make "someday" today.

**Support Asked
To Raise Pay
Of Sheriff 66%**

By BOB T. HARRISON
The sheriff of Wilcox County, Georgia, has asked the county board of commissioners to raise his salary by 66 percent, from \$12,000 to \$20,000 a year. The request was made at a meeting of the board last night. The board is expected to vote on the request tomorrow. The sheriff, who has been in office for 10 years, is the highest paid official in the county. The board of commissioners is made up of five members, each representing a different part of the county. The board is responsible for the county's budget and other financial matters. The sheriff's request is the latest in a series of salary increases for county officials. In 1970, the sheriff's salary was raised by 10 percent. In 1971, it was raised by 10 percent again. The board of commissioners has been reluctant to approve the request, citing the county's financial problems. The board has also been asked to raise the salaries of other county officials, including the county clerk and the county judge. The board is expected to make a decision on the sheriff's request by the end of the month.

SOMEONE SPECIAL

Wanda,

As I sit here I remember all the great times we have had together. I hope we can have many more in the years to come. I only wish it could have started sooner. You have been great to me, better than I could ever tell you. ~~Thank~~ Thanks for caring and understanding in the special way that you do. I've never known anyone who has cared as much as you do.

I'm sure gonna miss you on the trip but I know you will be here when I get back. The only thing that would make the trip perfect is you. You are a great person who is getting better. I love you for everything you are and I'm glad you love me for what I am.

P.S.
Don't forget the first
Date. Pedro

HELP ME TO REMEMBER

Wanda,
I picked this page because
I want you to always remember
me. I know the time was short
but I really started to like
you a lot. But tomorrow I just
want us to be the best of
friends. Good luck to you
+ Paul

We had a good

Wanda,
We've been friends
for along time
and sometimes
I really don't
know what
we would
have done
with out
each other.
I'll always
be here to list.
Good luck.

Love,
Tonya

I don't really believe
you've got to have too much
help to remember all the times
we've shared. Through all the
good events and through all
the unhappy ones, somehow
each of us has been there when
we needed the other or they
needed us. I'm very happy
that you finally found Paul,
for I do remember the times
before him and how you felt.
You've got a great guy and
I know you'll always be happy
together. I probably won't
get to see you very much after
this year but I'll still always ⁽⁸⁷⁵⁾₍₄₀₀₀₎
be there when you need a friend.
Behave or at least try to and remember
all the high times we've had. Don't get
into any trouble as a senior "but
have yourself a ball, you've earned
it after 11 years of P.H.S.

Love Always
